Here's what some very happy clients have said....

We hired Brian to do a magic show at Derby Days. I wanted him to do a strolling show but he didn't get to walk much. He just couldn't move because of the large crowd. Both adults and kids enjoyed the program very much!!!

-Sandy Doherty, Shakopee Derby Days

Brian Richards performed for our first-ever Harvest Festival and provided the perfect family entertainment we were looking for. Brian had the 100+ kids in the crowd amazed, roaring with laughter and thoroughly intrigued by his spooky-not-scary show. Oh! the adults all loved it as well. We received several positive comments about Brian's show. *-Jamie Cassidy, Recreation Director, Becker*

The kids absolutely loved having you come and do your magic. Thank you so much for coming on New Year's Eve, it helped to make our day that much more fun and enjoyable. I will be contacting you again for a spring evening performance for our family night. Thanks again for your great work!

-Heidi Joy, Galaxie Kids Club, Rockford
